SEASON TICKET HOLDER KIDS FREE NIGHT - Season ticket holders are invited to bring kids to the SOL game vs. the Indiana Fever on Sunday, June 30 at 5:00 p.m. Kids under the age of 17 are admitted FREE. Here's how it works: each season ticket is good to admit two kids free. For example, if a season ticket holder has two season tickets, they can bring four kids free; four season tickets gets eight kids in free, etc. Simply present your June 30th game tickets to the AmericanAirlines Arena Ticket Office prior to or on June 30th. Tickets may also be presented at the Advance Ticket Window located on the main concourse at Section 103 during any SOL game prior to June 30. Please note: the free seats may not be in the same price category or seating area as the season tickets, so be sure to have enough adults in your group to chaperone the kids.
